

# Object Oriented Programming with Python

Gramsci Hermozo

Session 12

- Practice

## Practice - Fourth requirement

From where we should take all this information to generate this reports?

I think, we should contact to the hospitals. And ask them for persons that have the sickness.

# Practice

Lets use a .csv file

Id	Name	Last Name	Age	Gender	Covid
123	Liam	Smith	60	Male	Positive
321	Noah	Williams	47	Male	Positive
134	Olivia	Lopez	12	Female	Negative
431	Amelia	Garcia	15	Female	Negative
541	Lucas	Anderson	50	Male	Positive
152	Charlotte	Lee	43	Female	Positive
987	Benjamin	Sanches	23	Male	Negative
